

LUBRICANTS

ODORLESS SILICONE SPRAY

Non-Staining Lubricant

Odorless, non-staining lubricating agent good for use in the fabric industry. Can be used on foam cutting blades, sewing machine needles, or any application where a non-staining lubricant is needed.

Advantages

- Completely Odorless
- Classified As Non-Flammable
- Excellent Operator Acceptance
- No Ozone-Depleting Chemicals
- Very Thin But Effective Coating

Application

Apply directly to area where lubrication is needed. Can be sprayed or wiped.

Technical Data

chemical composition	hydrocarbon mixture
appearance	water white liquid
odor	odorless
specific gravity	0.759
flash point	128°F
maximum solubility	negligible
normal working conc	full strength
normal working temp	ambient

Packaging Options

5 gallon pail
55 gallon drum
330 gallon tote tanks or Bulk Delivery
