

LUBRICANTS

Shur Lube 1100

Heavy Duty Machining Oil

Environmentally Friendly Lubricant

Shur Lube 1100 is an environmentally friendly lubricating oil formulated from renewable resources. It was designed to replace petroleum and animal oils used in metalworking fluids while providing excellent quality and performance.

Versatile

Shur Lube 1100 has excellent thermal and oxidative stability and provides excellent lubricity and EP properties. Shur Lube 1100 is used as is for grinding, cutting, stamping and drawing of aluminum and ferrous metals.

Technical Data

appearance	amber liquid
odor	mild
solubility	insoluble in water
specific gravity	0.93
flash point	325° F

Packaging Options

5 gallon pail
55 gallon drum
330 gallon tote tanks

Other Available TLS Products

Shur Draw® 420
Heavy-Duty semi-synthetic drawing compound

Shur Cut® 429
Soluble oil for most cutting and milling operations

Shur Cool® 3830
Non-foaming full synthetic coolant for grinding, milling, drilling and other metalworking operations
