

SpraKleen 300

Mild Alkaline Cleaner

Variety

Sprakleen 300 is a mildly alkaline spray cleaner used for cleaning and degreasing a wide variety of steel, stainless steel, aluminum, or plastic parts.

No Solvents Required

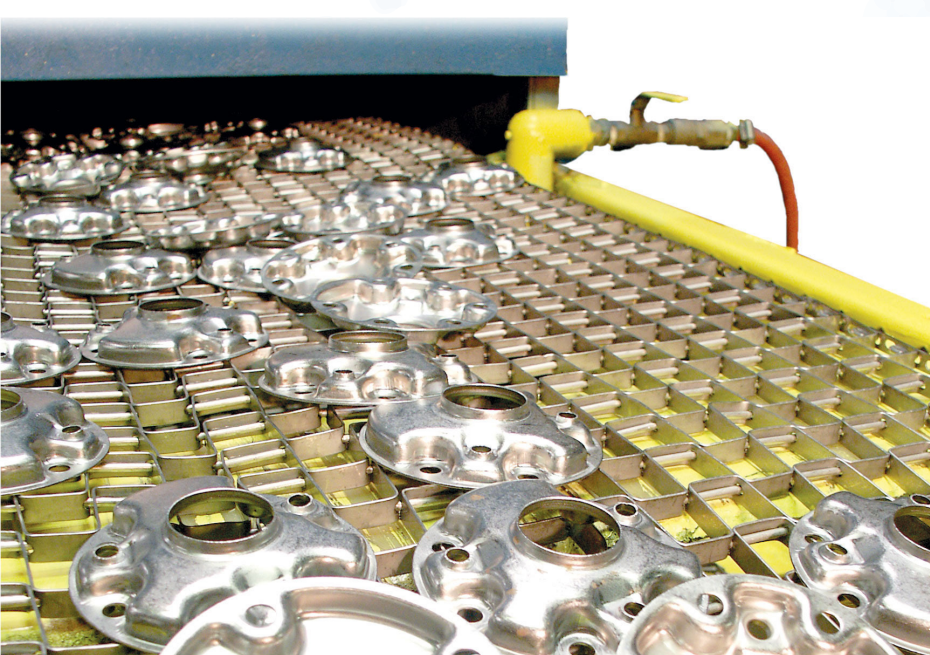

It is an optimized free rinsing, low foam, water-based blend and is specifically designed to replace a wide variety of conventional cleaners.

Remains Effective upon Dilution

Sprakleen 300 will remain effective upon dilution and can often be diluted far beyond conventional cleaners, resulting in superior cost performance.

Safe

Sprakleen 300 is safe for use on all ferrous and non ferrous metals, plastics, polymers, and painted surfaces and is waste water friendly.

PROCESS CLEANERS

Technical Data

physical Form	clear liquid
odor	mild
specific Gravity	1.13
maximum solubility	complete
rinsability	excellent
biodegradable	yes
normal working conc	1 - 10%
normal working temps	100° - 160°

Application

Fill tank with desired amount of water. Start heating water and add Sprakleen 300 while agitating. Exact quantity to be used will depend on amount and type of soil. Consult with your representative for recommendations.
