

MAINTENANCE/FACILITIES CLEANERS

SuperKleen

Maintenance Cleaner/Degreaser

More Than Cleaning and Degreasing

The outstanding performance of SuperKleen is attributed to its unique blend of surfactants and builders. Safe on steel, stainless steel, aluminum, brass, and copper.

Biodegradable & Non-Hazardous

SuperKleen is a heavy-duty, biodegradable, moderately alkaline free rinsing, concentrated liquid.

No Solvents Required

Due to its efficient cleaning effect on organic soils such as grease and oil, SuperKleen can often replace solvent based products.

Meets USDA/FSIS Requirements

SuperKleen has been formulated and labeled in accordance with the new sanitation regulations and guidelines as set forth in the Sanitation Performance Standards Compliance Guide under the authority of the United States Department of Agriculture (USDA).

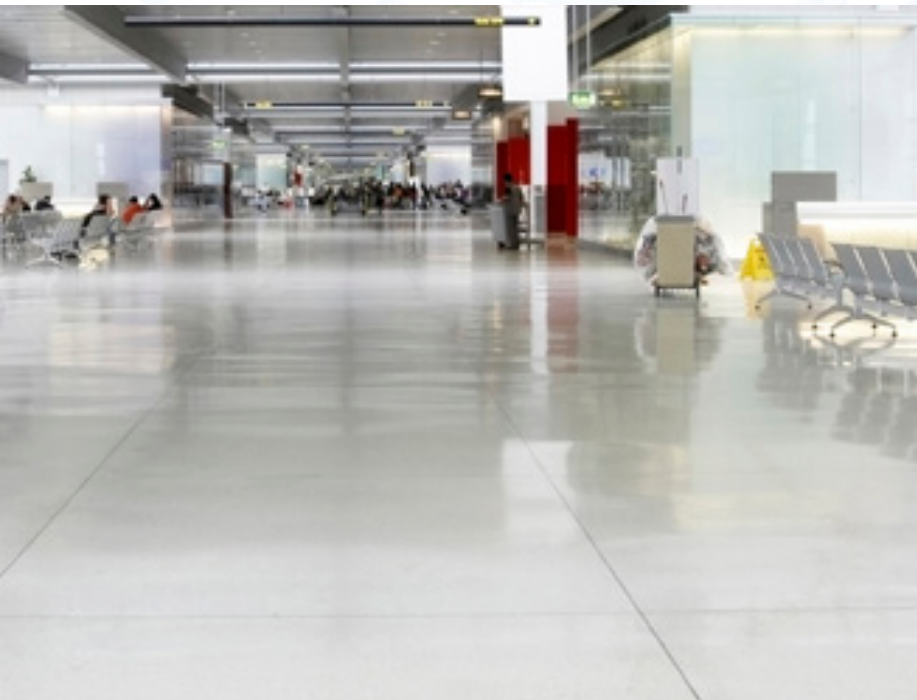

Application

- Parts Degreasing
- Vehicle Degreasing & Washing
- Machinery Cleaning
- Engine Cleaning & Degreasing
- Steam Cleaning
- Metal Cleaning & Degreasing
- Pressure Spray Washing
- Floor Cleaning
- General Purpose Cleaning

Safe on

- Linoleum, Tile & Marble
- Plastic & Nylon
- Wood Work
- Furniture & Carpets
- Vinyl Floors & Siding
- Painted Surfaces

MAINTENANCE/FACILITIES CLEANERS

SuperKleen

Maintenance Cleaner/Degreaser

Remains Effective upon Dilution

SuperKleen will remain effective upon dilution and can often be diluted far beyond conventional cleaners, resulting in superior cost performance.

Leaves a Dry, Film Free Surface

SuperKleen rapidly releases and removes soils, leaving a dry film-free surface. Unlike many other cleaners, especially those that are solvent based.

Benefits

- Free of caustics, silicates & solvents
- Replaces many solvent based cleaners
- Contains no petroleum oils
- No VOC's

Meets USDA/FSIS Requirements

SuperKleen has been formulated and labeled in accordance with the new sanitation regulations and guidelines as set forth in the Sanitation Performance Standards Compliance Guide under the authority of the United States Department of Agriculture (USDA).

Technical Data

appearance	clear green liquid
odor	mild
specific gravity	1.02
maximum solubility	complete
rinsability	good
biodegradable	yes
normal working temps	ambient

Packaging Options

- 5 gallon pail
- 55 gallon drum
- 330 gallon tote tanks
- Bulk Delivery
